Secteur Sauvegardé et Protégé**

Veles at the head of the association of historical and artistic cities, founded in 2005 on the initiative of the Macedonian communities and in partnership with ANVPAH & VSSP

The objectives of this network are:

- finding aids and grants for the restoration of heritage
- provide appropriate tools for heritage restoration
- promote cultural heritage
- develop the local economy
- strengthen expertise in the field of heritage in communities
- implement communication campaigns on the protection of heritage

During the Association meetings in Veles, in March, 2006, the Macedonian cities wished to rely on actions undertaken in the framework of Franco-Macedonian partnership with Skopje and Bitola: inventory of built, heritage development plan, mediation ... in order to develop a common methodology and knowledges.

The ANVPAH & VSSP was requested to:

- support elected representatives and technicians of the Association of Cities of FYROM in the construction of their project
- participate and conduct training programs for personnel involved in the revitalization of older areas
- accompany the process of economic and touristic development based on Heritage
- work on the future and development of Macedonia Bazzars from work led on the of Skopje and Bitola
