Secteur Sauvegardé et Protégé**

Day of exchanges and discovering of the revizalition opérations in historic centers.

The ANVPAH & VSSP, represented by the cities of Lectoure, Pau, Angouleme (Via Heritage and twinning committee), Bayonne, discovered the old center of the city of Vitoria-Gasteiz through presentations and visits in field. The Agency for the full revitalization of the historic city strives to promote the attractiveness of the heart of city by rehabilitation operations of housing and commercial premises.

Model of alternative transport and sustainable mobility, the city departments also presented their strategy for sustainable mobility(program established October 31, 2009). It is in Vitoria-Gasteiz to decrease car use, promote public transport and alternative modes of transport, and improve the quality of life of residents. This transformation of public space has been done with the a civic cooperation of residents, that allowed the city to develop a program of sustainable mobility closer to the social demand.
